Presentation

Good morning! I am Cory. I am going
(afternoon)
to talk about my night lamp.

My night lamp is new and bright.

My mother bought it for my

birthday present. I like it

because it has a spiderman figure on it.

I can turn on the light by tapping it.

Let me show you (tapping). Is it cool?

Spiderman is my favourite hero
and I feel safe when I see it at

night. He upholds the social
justice. This is the end of
my presentation. Thanks for
your attention.
