### A Short Oral Presentation:

(Choose an English storybook and share in class.)

The title (name) of the book is 'The Dragon Tree'

On the book cover, I can see Biff, Chips, Kipper and a dragon tail.

There are five characters (people/animals) in the story. (How many?)

I like Biff best (Who?) because he /she/ it is clever. She can think of good ideas.

I think this book is interesting. (e.g. interesting/ funny)

Read the part(s) you like most to your classmates. (Optional)
