My Camping Experience (Title)

I went camping with my family

in Spring. We went to a campsite

in Yuen Long.

There were a lot of flowers and animals I
could see some climbing walls at the campsite.
and outdoor facilities

facilities

The weather was windy and dry

We did a lot of activities at the campsite. In the morning, ^{we} played badminton and played hide-and-see. We ~~are~~ ^{were} very excited and happy.

In the afternoon, ^{we} flew a kite, but the kite broke! We rode a bicycle next, we had a barbecue lunch.

At night, We set up a tent and I saw a lot of stars. The sky was ~~It is~~ beautiful.

Good Work!
