Hi Noah,

What did you do this week? I went to a book shop yesterday. I went there to do some research about dolphins.

Suddenly, my phone rang. It was my mum calling me. She said worriedly on the phone, 'Jerry, come home now! Your sister got hurt. We need to take her to the hospital as soon as possible!' The second I even heard that, my heart pounded as fast as a cheetah.

I rushed out of the book shop immediately. However, I forgot to put down a book and the alarm rang. A security guard ran towards me when he heard the alarm ringing. He quickly stopped me and said furiously, 'Hey you! Stop right there! You haven't paid for your book yet!' I completely forgot about the book. I answered, 'Sorry! I'm in a hurry and forgot to put the book back.' After he heard that, he felt sorry that he misunderstood me and let me go.

When I got home, my sister was fine. I felt very relieved. I hope this never happens again!

Best wishes,

Jerry
