Sunny and windy

I went o Marine Park with my parents yesterday. We went to Dolphins' Theatre to watch a dolphin show. I was so amazed that I stood up while I was cherring to the dolphins. The most exciting part of it was when the tainer held up a hoop and the dolphin leaped through the hoop. I clapped my hands so hard that I didn't realize that my wallet fell out of my pocket.

After watching the show, we went to a souvenir shop to but some souvenirs. I chose myself a lovely dolphin pencil. ' Okay! This is eight dollars, plase?' said the shopkeeper. When I was finding my wallet at the cashier counter, I gasped, ' Oh no! my wallet is missing!' My heart sank. My mum comforted me. Then she said,' Don't worry! I'm sure you just dropped it in Dolphins' Theatre. Let's talk to the manager.

' O...Ol..kay,' I replied.

In the end, the manager gave me back my wlllet. I was over the moon. What a day!
