

Sunny 22 November 20XX

Today, It was sunny and I could hear the birds chirping, I woke up to a beautiful sunshine. I hopped out of my bed and shouted 'It's my birthday today!' in full of excitement, I ran down the corridor and my mom said, 'Happy birthday Ken!' I was ^{x' happy} so happy then my ^T Dad surprise me with something. I asked, 'what is it?' Dad said, 'open it up!' I opened it and saw a toy robot. ~~and~~ I said, 'Wow! Thanks Dad!' ^{sp} then we went on to celebrate my birthday.

It was night time and my father, mother and sister came to sit on the table and sang happy birthday to me. ^{As} we were singing, my sister accidentally dropped my robot toy on the floor.

I saw what happened and I was mad and ^{sp} angry, so I scolded her over and over again. ^{sp} Mom ^{tried} to try and comfort me. ^{Ken} Amy was scared. ^{sp} Mom came up with a plan.

Mom said, 'Don't worry, Ken. I will glue it back up for you. ^{sp} Come on! Don't be angry.' Mom glued up the toy for ~~him~~ ^{me} and then they finished celebrating.

words

- Excellent!

- A well-planned story with detailed description and a clear structure 😊.

- I like how you start your story with a lot of description of different moments 😊.

- Keep it up!
