'My Dream Neighbourhood'

There is a fun park in my neighbourhood. It ~~it~~ is next to the enormous shopping centre. I can play on the fun sea-saw. I go there with my family. There is a big bank in my neighbourhood. It is next to the MTR station. I can take money ^{from} ~~at~~ the bank. I ~~can~~ go there with my kind father. I like the park best because I like playing on the fun sea-saw.
