

Dear Hayden,

I wish to share this book with you because the cute mouse in the story makes me think about you.

The story is about a mouse called Stilton. He is a businessman of a bank and he is also a leader of his own city called Mouse City. His dreams are making a Marathon race for all the famous athletes. Over the years, he has been working hard to fulfil his dream.

In the end, he did a miracle thing and held the biggest Marathon race ever in Mouse City. Many athletes like John Bolt and Mike Lyes are participating in it too.

This story is about perseverance. No matter what the situation is, we have to work hard. I am sharing this book with you because I wanna to say 'Thank you' for everything you have done for me.

Yours,

Rico.
