

Lost in Time: My Day in the 1950s Hong Kong

Let me tell you a story of time travelling. I travelled back to Hong Kong

I heard

in the 1950s. When I woke up, there was noises

outside. I looked, I shouted, 'What! I travelled

in the 1950s
~~backed~~ to ~~1950s~~ in Hong Kong?' I thought [ⓐ]

whereas
People used to live in low-rise buildings, the
are
buildings now is as tall as mountains.' [ⓑ]

I left the house and I rushed outside
with my pyjamas on. I rushed to the park
and I was shocked! I thought again [ⓐ]

In the past, people used to play hopscotch.

But nowdays, people play electronic games.'

who failed a test

I was as frustrated as a student.

I sat on the merry-go-round and thought:

against Why did people in the past like going

to the park?' Two girls were worried about

over to

me, and came forward me.

They asked, 'What's the matter?' I
Hi!

answered, 'Oh, hi! I was thinking why people

like going to the park.' They answered,

Oh, because ^{we} ~~people now~~ like play with our friends!'

I replied, 'Wow! People ^{in the future} ~~now~~ don't go to the park ^{these days} recently ^{really}
