Your preferred school trip destination

Write an email to the school principal about your preferred school trip destination. You may write about the place you want to visit, the things you can do there, your feelings about the trip and the way to get to the place. Write on alternative lines.

Dear principal Chan,

How was your day? I have an idea about our upcoming school trip destination. Let me share my great proposal with you.

I think we can go to Hong Kong Disneyland. We can buy ^{sp} souvenirs for family and friends at Disneyland. We can buy ~~dolls~~ ^{souvenirs, like plushies}, keychains and limited copper coins.

~~The dolls~~ ^{plushies} cost ^{around} 130 dollars. I have been to Disneyland

before. I bought copper coins back home and put ~~it~~ ^{them} in

~~my collection~~
~~my collectibles.~~ ✓

we can have a lot of activities.

Then ~~we~~ can experience ^{the} unique themed lands,
enjoy Marvel and Frozen attractions, watch spectacular
Broadway-style musicals and admire the stunning
castle projection and fireworks show at night.

Next, we can take photos with the
cartoon characters, like Mickey Mouse, Minnie
Mouse and Daisy Duck. ✓

At last, let me tell you how to get
there. Take the MTR to Sunny Bay Station via the MTR
Tung Chung Line, cross the platform at Sunny Bay and
transfer to the Disneyland Resort Line, take the

5-minute direct train to Disneyland Resort

Station, located right at the park entrance. I hope

you like my plan.

Yours sincerely,

Agnes
